Objective

I have successfully completed my Bachelor of Science in Computer Science & Engineering (B.Sc. CSE) at the American International University of Bangladesh (AIUB), with a major in Software Engineering. As I approach the completion of my degree, I am eagerly seeking opportunities in the IT sector to utilize and pursue a career in networking. I am committed to continuously developing my knowledge and proficiency in various applications and technologies, ensuring that I am well-prepared for a successful career in the field.

Skills

- Experienced in Comprehensive Networking Proficiency, Network Security Configuration (Windows and Linux), Breach Attack Simulation (BAS) Implementation and Management
- Experienced in Checkpoint Firewall, DPI Threat Detection and Prevention, Network Traffic Analysis in Wireshark, Web Application Firewall (WAF) Deployment and Management
- Proficient in Testing Software Tools for Automation Testing (Selenium with Java)
- Proficient in designing comprehensive software test plans and test cases.
- Proficient in multiple programming languages (C++, C#, Java, PHP, JAVASCRIPT, CSS, HTML, Backend Framework - ASP.NET)
- Experienced in HTML5, CSS3. Database Management Systems, MySQL server.

Education

- **BSc Engineering: Computer Science and Engineering (CSE)**
American International University of Bangladesh
Passing Year: 2023 || CGPA: 3.61 out of 4.00
- **Higher Secondary School Certificate (HSC)**
IDEAL COLLEGE, Dhanmondi
Passing Year: 2019
- **Secondary School Certificate (SSC)**
Motijheel Govt. Boys' High School
Passing Year: 2017

Projects

1. Travel Agency

It's a raw c# web application software

https://github.com/Razi-Rahman/Travel_Agency

2. Database SQL Management Server Project

https://github.com/Razi-Rahman/KFC_Management_Database_SQL_SERVER_project

3. E-Commerce Management System

It's a web application (Used HTML, CSS, PHP, JavaScript, MySQL)

<https://github.com/Razi-Rahman/E-commerce-management-system>

Experience

• System Engineer	ThinkEZ Limited	November to Present
• Training on Cyber Pro	Purple Synapz	November 2023 to February 2024
• Intern on CYBER SECURITY	ETech Solution	June to 15 September 2023
• Intern on Teaching Assistant at AIUB	American International University of Bangladesh	June to 31 August 2023
• Trainee as SQA Engineer	IT Training BD	October to December 2023

Certifications

1. CISCO – IT Essentials

I've successfully achieved student-level credentials by completing the IT Essentials course.

Certification: <https://github.com/Razi-Rahman/Cisco-IT-Essential-Certificate>

2. CyberOps-Associate-course-Certificate

I've successfully achieved student-level credentials for completing the CyberOps Associate course.

Certification: <https://github.com/Razi-Rahman/CyberOps-Associate-course-Certificate>

3. Cyber-Pro-Certificate

I've successfully achieved advanced cyber security credentials for completing the Cyber Pro Course

Certification: <https://github.com/Razi-Rahman/Cyber-Pro-Certificate>

Publication

1. Assessing the Effectiveness of Test-Driven Development in Enhancing Software Quality

Submitted to *International Journal of Modern Education and Computer Science*
