## Objective

I am currently in the last semester of my Bachelor of Science in Computer Science & Engineering (B.Sc. CSE) at the American International University of Bangladesh (AIUB), with a major in Software Engineering. As I approach the completion of my degree, I am eagerly seeking opportunities in the IT sector to utilize and enhance my programming skills. I am committed to continuously developing my knowledge and proficiency in various applications and technologies, ensuring that I am well-prepared for a successful career in the field.

## Experience

- **Intern on CYBER SECURITY      ETech Solution                    June 2023 to Present**

I have successfully completed comprehensive training on cybersecurity, and the experience has been incredibly enlightening.  I learned how to identify vulnerabilities, mitigate the risks of malware attacks, and implement robust security measures to safeguard against cyber attacks. This experience has equipped me with valuable knowledge and skills in the field of cybersecurity.

- **Teaching Assistant on AIUB      American      International        June 2023 to Present University of Bangladesh**

I have recently concluded my tenure as a teaching assistant at my university, and it has been an incredibly rewarding experience that has enriched my knowledge and skills. Throughout my time in this role, I had the opportunity to work closely with professors and assist them in delivering educational material to students.

## Education

- **BSc Engineering: Computer Science and Engineering (CSE)**
  American International University of Bangladesh
  Passing Year: 2023   ||   CGPA: 3.61 out of 4.00

- **Higher Secondary School Certificate (HSC)**
  IDEAL COLLEGE, Dhanmondi
  Passing Year: 2019  ||   GPA: 3.75 out of 5.00

- **Secondary School Certificate (SSC)**
  Motijheel Govt. Boys' High School
  Passing Year: 2017  ||   GPA: 5.00 out of 5.00

# Skills

- Proficient in Problem-Solving
- Proficient in multiple programming languages (C++, C#, Java, PHP, JAVASCRIPT, CSS, HTML, Python)
- Proficient in Backend Framework - ASP.NET
- Experienced in Database Management Systems, MySQL server.
- Experienced in HTML5, CSS3, Bootstrap.
- Experienced in Microsoft Office.
- Proficient in Linux commands and fundamentals for IT security.
- Good in Teamwork
- Communication
- Leadership
- Language (Bangla and English)

# Projects

1. **Travel Agency**

   This project is built with the knowledge of Object-Oriented Program in C# language.
   *https://github.com/Razi-Rahman/Travel_Agency*

2. **Courier Management System**

   Using basic Java. It's a console application based on the knowledge of the Object-Oriented Programming-1(Java) course.
   *https://github.com/Razi-Rahman/Courier_Management_System*

3. **E-Commerce Management System**

   It's a web application (Used HTML, CSS, PHP, JavaScript, MySQL )
   *https://github.com/Razi-Rahman/E-commerce-management-system*

4. **Village View (Graphical Interface)**

   A graphical view of village view using C++ OpenGL
   *https://github.com/Razi-Rahman/Village_View_Comuter_Graphics*

# Certifications

1. **CISCO – IT Essentials**

   I've successfully achieved student-level credentials by completing the IT Essentials course.
   Certification: *https://github.com/Razi-Rahman/Cisco-IT-Essential-Certificate*

2. **CyberOps-Associate-course-Certificate**

   I've successfully achieved student-level credentials for completing the CyberOps Associate course.
   Certification: *https://github.com/Razi-Rahman/CyberOps-Associate-course-Certificate*
